

If **CLOSE** Were Good Enough

For some people, “close” is good enough, but when you’re playing for real you’ve got to be right on target Every Time.

In the aerospace, automotive, industrial, life science, and consumer/appliance industries, the cost of failure is extremely high. That’s why our philosophy is driven by exceeding client’s expectations with customer-focused attitudes and founded on principles of hard work and quality products - delivered on time; every time.

Zatkoff Seals & Packings is the largest independent distributor of seals in North America. One location manufactures various die cut shapes from a full range of non-metallic materials and offers the ability to supply most materials with an adhesive backing. You’ll find our sealing systems solutions backed by over \$25,000,000 in inventory and nearly 200,000 international part numbers.

That’s why Zatkoff Seals & Packings is the difference maker in the game; solving complex sealing problems for the biggest names in worldwide industry who won’t settle for “close” at the local golf course or in the global marketplace.
