### MANUFACTURING PARTNERS

## SERVICES

# Express

**Express** offers quick production turnaround on prototypes, replacement parts, and small manufacturing runs, utilizing state-of-the-art machinery and specially-developed software to support our customers' businesses, even on short notice.

### Features & Benefits

- Over 150 seal profiles
- Over 30 standard materials and specialty materials upon request
- Custom designs based on customer drawings or samples
- Economical batch production
- Prototyping support
- No minimum order quantity
- Quick turnaround – same day if needed

# ZAP>IT

**Integrated ZAP>IT® Solutions** offer a collaborative process that utilizes data from a customer's existing Enterprise Resource Planning (ERP) system. This tool provides to our customer a lower total cost of ownership generated through a higher level of connectivity with Zatkoff.

KEY PERFORMANCE INDICATORS

### Features & Benefits

- Reduce acquisition cost
- Streamline procurement processes
- Compatible with ERP system data
- Utilizes customer's existing web portal or vendor interface
- Seamless interaction between companies
- Allows for actionable, granular data insights
- Customizable system, even after implementation

QUALITY MANAGEMENT SYSTEM  
**ISO 9001:2015**  
CERTIFIED  
BY INTERTEK

#### ISO 9001:2015 CERTIFIED

The quality management system at all of our branches is ISO 9001:2015 certified by Intertek.

QUALITY MANAGEMENT SYSTEM  
**AS9120:B**  
CERTIFIED  
BY INTERTEK

#### AS9120:B CERTIFIED

The quality management system of our Cincinnati branch in Fairfield, Ohio, is AS9120:B certified by Intertek.

#### CUSTOM SHIPPING

We provide customized barcoded identification on all shipping labels and packing slips to ensure accuracy, efficiency, and traceability on every order. This master barcode system offers cost savings and peace of mind for our customers.

#### CUSTOM KITTING & LABELING

Our automated kitting services provide custom packaging, labels, and components. From strict adherence to quality control standards, to various aftermarket requirements, our kitting services are completely customizable.
